Thank you Lowe's for donating buckets. Our Individuals are putting them to good use exercising and playing music.

Fire safety day was a success. Our class learned a lot about how to be safe at the center and at home.

Fishing continues to be a favorite. Individuals spent the day taking in some sunshine and having fun with friends.

Brad did such a great job helping build our new ramp!

Everyone enjoys spending time learning and playing games in the computer lab.

Maggie's Jungle Golf was definitely one of the highlights of the month. They were so excited for snow cones and the Jungle Run. What a fun day!

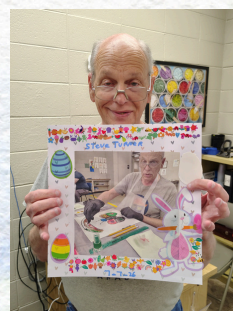

Story Club at the local library is something to look forward to each month. It's great to take part in such a wonderful program.

Bowling is a much anticipated monthly event. It's such a great opportunity to make memories with friends.

Individuals were able to express their creativity while scrapbooking. They did such a great job!

Cooking class allows our Individuals to learn to make so many delicious things. This month we made breakfast, and homemade strawberry ice cream. Yumm!
